STACK STRATEGY

Start with Murf AI + Seedance + ElevenLabs — all three are tools your audience needs, all three pay recurring commissions. Promote them together in one video: 'My AI Creator Stack' is a proven format that converts.

Video #1 Script Template

Fill in the blanks and publish. This structure is proven for AI tool review / side hustle channels in the 0–1K subscriber range. Hook and open loop in the first 30 seconds — that's what keeps people watching.

HOOK (0:00–0:15)

- [BOLD CLAIM or RESULT]: 'I made my first \$___ with AI and I never showed my face, spent money on software, or knew how to edit video.'
- Or: 'Most people think you need thousands of followers to make money with AI. You don't. Here's proof.'

OPEN LOOP (0:15–0:30)

- Tease 3 things: 'In this video I'm going to show you the exact tool stack I use, the affiliate programs that pay me every month, and the 30-day plan I followed to get there.'
- Anti-hype line: 'I'm not going to tell you this is easy or that you'll be rich by next week — I'm going to show you what actually worked.'

CREDIBILITY (0:30–1:00)

- Brief context: Who you are, why you're qualified to talk about this.
- Key fact or result: One specific number that proves you've done this.
- Channel plug: 'If this is new to you, hit subscribe — I post [cadence] on [topic].'

MAIN CONTENT (1:00–7:00)

- Tool #1: Name, show it in action, explain how it makes money, affiliate link.
- Tool #2: Same structure.
- Tool #3: Same structure.
- Repeat for each section of your content — promise in hook, deliver here.

CTA + CLOSE (7:00–END)

- Restate the main takeaway in one sentence.
- Soft affiliate plug: 'All the tools I mentioned are linked below — most have free tiers so there's no reason not to start today.'
- Next video tease: 'Next week I'm going to show you [NEXT TOPIC] — subscribe so you don't miss it.'
- Like/subscribe ask: 'If this helped, hit like — it tells YouTube to show this to more people.'

30-Day Content Calendar

A structured 30-day plan to go from zero to consistent. Week 1 = foundation, Week 2 = tools, Week 3 = income, Week 4 = system. Post 3x/week minimum.

WEEK	THEME	CONTENT TYPES	FOCUS
Week 1 Days 1–7	Foundation	1 Long-form · 2 Shorts 1 Community Poll	Introduce yourself, your niche, and your story. Hook new viewers with a 'proof' video.
Week 2 Days 8–14	AI Tools	2 Long-form · 3 Shorts 1 Community Poll	Review the 5 free tools. Each video = one tool, how you use it, affiliate link in bio.
Week 3 Days 15–21	Income Focus	2 Long-form · 3 Shorts 1 Community Poll	Affiliate income, digital product intro, or side hustle angle. Pitch 1 paid offer.
Week 4 Days 22–30	System Build	2 Long-form · 4 Shorts 1 Community Poll	Show your full workflow, recap what you built, tease what's next. Build anticipation.

DAILY PROMPT

For every piece of content, use this prompt in Claude or ChatGPT: 'Write a YouTube [Short/Long-form] script about [TOPIC] for a creator in the [NICHE] space. Hook in the first 15 seconds, 3 main points, soft CTA to [AFFILIATE/PRODUCT] at the end. Keep it conversational, no fluff, under [LENGTH].'
