

30-Day AI Content Calendar

PLAN · CREATE · PUBLISH · GROW

A done-for-you 30-day content plan. Every day has a content type, topic, and the AI prompt to create it. Just show up and publish.

WEEK 1 · FOUNDATION (Days 1–7)

Introduce yourself and your angle. Hook new viewers with a proof-first video.

DAY	FORMAT	TOPIC	AI PROMPT STARTER
Day 1	Long-form	Why I Started Using AI to Make Money (My Story)	Write a YouTube script for a creator origin story in [NICHE]. Hook: lead with the result, then go back to the beginning.
Day 2	Short	The #1 Mistake Creators Make With AI	Write a 60-second Short script about the biggest mistake [AUDIENCE] makes when starting with AI.
Day 3	Community	Poll: Which AI tool are you most curious about? A) ElevenLabs B) Claude C) Seedance D) Other	
Day 4	Long-form	5 Free AI Tools That Actually Make Money in 2026	Write a YouTube script reviewing 5 free AI tools for [NICHE] creators. Include affiliate angles.
Day 5	Short	This Free Tool Makes \$X/Month Passively	Write a 45-second Short teasing one affiliate income stream from a free AI tool.
Day 6	Short	How I Made My First Dollar With AI	Write a 60-second Short script: first income milestone story, one specific action that made it happen.
Day 7	REST / Plan	Review Week 1 analytics. Note: CTR, AVD, top-video. Plan Week 2.	

WEEK 2 · AI TOOLS DEEP DIVES (Days 8–14)

One tool per video. Tutorial + use case + affiliate link = repeatable format.

DAY	FORMAT	TOPIC	AI PROMPT STARTER
Day 8	Long-form	ElevenLabs Tutorial: Make YouTube Videos Without Your Face	Write a tutorial script showing how to use ElevenLabs for voiceover. Include affiliate link.
Day 9	Short	AI Voiceover in 60 Seconds	Write a Short demonstrating ElevenLabs voice cloning in under 60 seconds.
Day 10	Long-form	Seedance Tutorial: Free AI Video Generator (100 Credits/Day)	Write a tutorial on Seedance.tv — text to video, image to video, workflow tips.
Day 11	Short	100 Free AI Video Credits Every Day	60-second Short: How to use Seedance's daily free credits to create B-roll.
Day 12	Community	Poll: Would you use AI voiceover for your content? Yes / Already do / No / Tell me more	
Day 13	Long-form	Claude vs ChatGPT: Which Is Better for Creators?	Write a YouTube comparison script: Claude vs ChatGPT for scripting, strategy, and content creation.
Day 14	Short	The AI Writing Tool I Use Every Day	60-second Short: Claude for YouTube script writing — one specific use case.

WEEK 3 · INCOME FOCUS (Days 15–21)

Show the money side. Affiliate income, product intro, side hustle angles.

DAY	FORMAT	TOPIC	AI PROMPT STARTER
Day 15	Long-form	How AI Affiliate Marketing Works (And What Pays Best)	Write a YouTube script explaining AI affiliate marketing for beginners — programs, commissions, tools.
Day 16	Short	This AI Tool Pays 30% Recurring Commission	60-second Short: Murf AI or Seedance affiliate program breakdown.
Day 17	Long-form	My AI Income Stack: What I Earn and How	Write a YouTube income report script — affiliate programs, amounts (or % breakdown), tools.
Day 18	Short	How Much Can You Make With AI Affiliates?	45-second Short: realistic earning potential from 3 AI affiliate programs in 90 days.
Day 19	Community	Poll: What's your current monthly income from content? \$0 / Under \$100 / \$100–\$500 / \$500+	
Day 20	Long-form	Digital Products + AI: How to Build and Sell in a Weekend	Write a YouTube script: using AI to build a digital product from scratch — outline, write, design, launch.
Day 21	Short	Recap: Week 3 of Building With AI	60-second Short recap: one win, one lesson, one thing coming next week.

WEEK 4 · SYSTEM BUILD (Days 22–30)

Show the full workflow. Build anticipation. End the month strong.

DAY	FORMAT	TOPIC	AI PROMPT STARTER
Day 22	Long-form	My Full AI Content Workflow (From Idea to Published)	Write a YouTube script walking through the end-to-end AI creator workflow: idea → script → video → edit → publish.
Day 23	Short	How I Plan a Month of Content in 2 Hours	60-second Short: batch content planning with Claude — monthly content calendar prompt.
Day 24	Short	The Free App I Use to Build AI Content	60-second Short: ContentForge AI app demo — one feature highlight.
Day 25	Long-form	AI Tools for YouTube Automation in 2026	Write a YouTube script on automating the YouTube content process with AI tools — scripting, voice, editing.
Day 26	Community	Poll: What should I cover next month? Topic A / Topic B / Topic C / Suggest below	
Day 27	Short	30-Day AI Challenge: What I Built	60-second Short: summary of the 30-day build — what you made, what you earned, what's next.
Day 28	Long-form	Month 1 Results: What Actually Worked With AI	Write a YouTube script: 30-day results video. CTR, views, income, tools used, lessons learned.
Day 29	Short	If I Started Over, I'd Do This First	60-second Short: one actionable lesson for someone starting their AI creator journey today.
Day 30	Plan Month 2	Review all analytics. Double down on the top 2 performing formats. Plan Month 2 with the same structure.
