Prompt #1 — Business Plan Summary

THE PROMPT

Act as a startup strategist. Summarize this business idea in 3 bullet points (problem, solution, unique edge). Keep it concise, like an investor pitch.

EXAMPLE IN ACTION

Act as a startup strategist. Summarize SwiftCart (same-day delivery app for indie retailers) in 3 bullets (problem, solution, unique edge) + 1 milestone (12-month goal) + 1 risk with mitigation. Keep investor-tight.

REAL USE

Used this to prep a cold pitch — kept me crisp and got immediate interest.

Prompt #2 — Competitor Analysis

THE PROMPT

Generate a competitor comparison table for [business name/type]. Include pricing, features, and one-sentence advantages/disadvantages.

EXAMPLE IN ACTION

Create a comparison table for Notion, Evernote, Obsidian, OneNote, Apple Notes with: price, core use case, offline support, AI features, switching friction. Add a 1-sentence pro & con per tool.

REAL USE

Built this for a client's launch deck — became the slide that sealed funding.

Prompt #3 — Offer Clarity Boost

THE PROMPT

Take this rough offer description and make it sharper and easier to understand for a non-expert audience.

EXAMPLE IN ACTION

Rewrite the "Inbox Zero Sprint (30 days)" coaching offer in 5 bullets as Feature -> Outcome (+ metric). Include who it's for / not for and a risk-reversal line.

REAL USE

Turned a fuzzy coaching package into a sharp, premium offer.

Prompt #4 — SWOT Analysis

THE PROMPT

Act as a business consultant. Create a SWOT (Strengths, Weaknesses, Opportunities, Threats) for [my company name or industry]. Make it sound professional but brief.

EXAMPLE IN ACTION

Do a SWOT for BodegaCloud (SaaS for neighborhood grocers). 3 bullets each and a "So What" line: one decision this SWOT pushes us toward.

REAL USE

Used for a board update — kept discussion on the few variables that matter.

Prompt #5 — One-Liner Generator

THE PROMPT

Craft 3 bold, catchy one-liners to describe my business. Keep each under 10 words. Make them sound modern and memorable.

EXAMPLE IN ACTION

Generate a one-liner for PaddlePath Kayak Tours: [Audience] + [Problem] + [Solution] + [Proof] in under 20 words. Provide 3 options.

REAL USE

Became the headline we used across LinkedIn and the website.

// SECTION 2 — MARKETING COPY & ADS

Prompt #6 — Landing Page Hero Copy

THE PROMPT

Write a bold, clear hero section headline + subhead for a landing page selling [product/service]. Focus on benefits. Make it emotionally engaging.

EXAMPLE IN ACTION

Write hero headline + subhead + CTA for BreezeCharge (EV home charger). Angle: renters with garages. Constraints: <10-word headline, mention 30-min install, CTA "See if your home qualifies."

REAL USE

A/B test winner — +22% hero click-through.

Prompt #7 — Instagram Ad Hook

THE PROMPT

Write 3 scroll-stopping first lines for an Instagram ad promoting [offer]. Each should fit within 1 sentence and spark curiosity.

EXAMPLE IN ACTION

Generate 10 IG hook lines for a cold-plunge tub brand. Mix pattern interrupts, curiosity gaps, and benefit bombs; each 8 words or fewer.

REAL USE

Hook lines that didn't feel ad-y; CPM dropped 12%.

Prompt #8 — AIDA Product Description

THE PROMPT

Use the AIDA copywriting formula (Attention, Interest, Desire, Action) to sell this product: [details]. Keep it 100-150 words.

EXAMPLE IN ACTION

Write an AIDA blurb for GlowDuo Vitamin C + Niacinamide Serum. Include derm-safe claims, evidence (study or %), and application steps. Cap at 160 words.

REAL USE

Lifted PDP add-to-cart 9% for a skincare SKU.

Prompt #9 — Call-to-Action Builder

THE PROMPT

Give me 5 different call-to-action phrases for [goal], each using a slightly different emotional appeal (urgency, curiosity, community, etc.).

EXAMPLE IN ACTION

Give 12 CTA lines for a B2B demo booking. Group by Low-Friction / Medium / High-Commitment. No "Learn more."

REAL USE

Replaced weak CTAs; opt-ins rose 17%.

Prompt #10 — Headline Variants

THE PROMPT

Give me 5 punchy headline options for a product targeting [audience], each using a different persuasion angle (fear, benefit, FOMO, proof, etc.).

EXAMPLE IN ACTION

Generate 10 headline options for PeakPack Daypack (lightweight hiking backpack). Mix curiosity, benefit, proof, and urgency; each 8 words or fewer.

REAL USE

Doubled trial activation rate after re-framing the first send.

Prompt #11 — Welcome Email

THE PROMPT

Write a warm, friendly welcome email for new subscribers to my [type of business] newsletter. Include what to expect and a CTA to connect or explore.

EXAMPLE IN ACTION

Apply "Welcome Email" to FlowPilot (B2B onboarding SaaS). Write a concise email with a clear CTA and one metric. Keep tone on-brand and specify audience.

REAL USE

Used this to tackle the dreaded blank welcome email. On-brand, fast, done.

Prompt #12 — Lead Magnet Delivery

THE PROMPT

Write a short email that delivers my freebie (a PDF guide on [topic]) with a quick thank-you and teaser for what's coming next.

EXAMPLE IN ACTION

Apply "Lead Magnet Delivery" to GlowDuo (DTC skincare). Provide 3 variants with hook + benefit + CTA. Keep tone on-brand.

REAL USE

Made the next step obvious and easy. Open rates stayed high.

Prompt #13 — Soft Sales Follow-Up

THE PROMPT

Write a polite follow-up email for someone who clicked but didn't buy [offer]. Include gentle urgency and one line of social proof.

EXAMPLE IN ACTION

Apply "Soft Sales Follow-Up" to BrightNest (local home cleaning service). Deliver 5 bullets with specifics, 1 number, and a clear CTA.

REAL USE

Recovered abandoned carts without sounding pushy.

Prompt #14 — Value Drop Email

THE PROMPT

Write a short value-packed email on [topic] that teaches 1 useful tip. Add a subtle link or CTA at the end.

EXAMPLE IN ACTION

Apply "Value Drop Email" to NoteForge (course for creators). Write a concise email with a clear CTA and one metric. Keep tone on-brand.

REAL USE

Kept the list warm between launches. Engagement stayed high.

Prompt #15 — Win-Back Message

THE PROMPT

Write an email to re-engage cold subscribers with a warm intro, quick recap of value, and a "still interested?" style CTA.

EXAMPLE IN ACTION

Apply "Win-back Message" to PocketBolt (e-commerce gadget). Deliver 5 bullets with specifics, 1 number, and a clear CTA.

REAL USE

Gave us a shippable first draft the same day. Re-engaged 8% of cold list.

// SECTION 4 — SEO & BLOG WRITING

Prompt #16 — Blog Post Outline

THE PROMPT

Create a detailed blog post outline for the topic: [topic]. Include H2s, H3s, and a suggested intro hook.

EXAMPLE IN ACTION

Outline a 1,500-word blog post: "7 Ways Remote Teams Stay Productive." Include H2s, H3s, intro hook, and a stat-backed CTA at the end.

REAL USE

Cut research time in half. The outline became the final structure.

Prompt #17 — SEO Keywords List

THE PROMPT

Generate a list of 10 SEO keywords for a blog about [topic]. Include a mix of short-tail and long-tail terms with search intent labels.

EXAMPLE IN ACTION

Generate 15 SEO keywords for "home gym equipment on a budget." Label each: Informational / Commercial / Transactional. Flag the top 3 for a beginner site.

REAL USE

Built an entire content calendar from one prompt run.

Prompt #18 — Meta Description Generator

THE PROMPT

Write a compelling meta description (under 155 characters) for a blog post titled [title]. Include the primary keyword and a reason to click.

EXAMPLE IN ACTION

Write 5 meta descriptions for "Best Budget Espresso Machines 2025." Each under 155 chars, include primary keyword, click trigger, and unique angle.

REAL USE

CTR from search results jumped after swapping to AI-written metas.

Prompt #19 — Blog Intro Hook

THE PROMPT

Write 3 different opening paragraphs for a blog post about [topic]. Each should use a different hook style (question, stat, story).

EXAMPLE IN ACTION

Write 3 intro hooks for "How to Build a Morning Routine That Sticks." Styles: surprising stat, bold claim, short story. Each under 60 words.

REAL USE

Bounce rate dropped after replacing weak intros with these.

Prompt #20 — Content Refresh Suggestions

THE PROMPT

Review this blog post outline or title and suggest 5 ways to update it for [current year] to improve relevance and SEO.

EXAMPLE IN ACTION

Review "10 Social Media Tips for Small Businesses (2021)" and suggest 7 refresh moves: new stats, deleted sections, new angle, updated examples.

REAL USE

Refreshed 12 old posts in a week. Organic traffic up 31%.

// SECTION 5 — SOCIAL MEDIA POSTS

Prompt #21 — Viral Hook Builder

THE PROMPT

Write 5 viral-style opening hooks for a social media post about [topic]. Make them punchy, bold, and designed to stop the scroll.

EXAMPLE IN ACTION

Write 10 viral hooks for a post about "why most people quit their side hustle." Mix fear, curiosity, bold claim, and pattern interrupt styles.

REAL USE

One of these became our highest-performing LinkedIn post ever.

Prompt #22 — Repurpose Blog to Post

THE PROMPT

Take this blog post [paste excerpt] and rewrite it as a punchy LinkedIn post under 200 words with a clear hook and CTA.

EXAMPLE IN ACTION

Repurpose this 1,200-word article on "remote work burnout" into: 1 LinkedIn post, 1 tweet thread (5 tweets), 1 Instagram caption. Keep stats intact.

REAL USE

One blog = 3 pieces of content in 5 minutes. Massive time saver.

Prompt #23 — Thought Leadership Builder

THE PROMPT

Write a short thought leadership post about [topic] from the perspective of an expert in [field]. Include a personal insight or opinion.

EXAMPLE IN ACTION

Write a 150-word LinkedIn thought leadership post on "why AI won't replace creative directors." Include a counterintuitive take and end with a question.

REAL USE

Comments blew up. Best organic reach we'd had in months.

Prompt #24 — Hashtag Set Generator

THE PROMPT

Generate 3 sets of hashtags for a post about [topic] — one broad, one niche, one trending. Keep each set to 5-8 tags.

EXAMPLE IN ACTION

Generate hashtag sets for a post about "AI tools for freelancers." Set 1: broad reach. Set 2: niche community. Set 3: trending/timely. 6 tags each.

REAL USE

Reach nearly doubled after switching to this hashtag strategy.

Prompt #25 — Content Idea Generator

THE PROMPT

Give me 10 content ideas for [platform] about [topic]. Mix educational, entertaining, and promotional formats.

EXAMPLE IN ACTION
